### RECORD OF TELEPHONE INTERVIEW

The undersigned attorney for Applicant conducted telephone interviews with Examiner Cheung on May 5, 2005 and May 10, 2005. During the second communication the parties discussed a proposed amendment submitted by Applicant for Examiner Cheung's consideration. Following that communication, Examiner Cheung confirmed that the proposed amendment would place the application in condition for allowance and that Applicant would be permitted to enter apparatus claims directed to the same invention as the allowable method claims. The currently submitted Amendment Dated May 26, 2005 conforms to this agreement and, for this reason, Applicant believes that the application is now in condition for allowance.

### CONCLUSION

It is believed that the application is now in condition for allowance. If the Examiner believes that there are any issues that can be resolved by a telephone conference, or that there are any informalities that can be corrected by an Examiner's amendment, please call Mike Mehrman at (404) 497-7400.

Respectfully submitted,

By: Michael J. Mehrman
